

## CSC wins NPC Bids

**Chelsea Shipping Corporation (CSC) won National Power Corporation (NPC) bids for hauling a total of 16.3 Million Liters of Industrial Fuel Oil (IFO).**

M/T Chelsea Intrepid, one of CSC's Crossbay vessels that will carry out the NPC contracts.

On 23 September 2009, CSC submitted the winning bid for NPC's project for Hauling of 9.6 Million Liters of IFO from Subic to Malaya Thermal Plant. Further, on 22 October 2009, CSC also submitted the winning bid for the NPC project for Hauling of 6.7 Million Liters of IFO from Sucat to Calaca, Batangas Coal-Fired Thermal Power Plant.

Several parties participated in the bidding for these NPC Projects, which was held at the NPC Main Office in Quezon City, but CSC prevailed over them. CSC's Crossbay vessels will be mobilized to implement these NPC contracts.

Chelsea continues with its commitment to deliver the finest service to its customers .

## Blessing of New Offices at The Fort

**Chelsea Shipping Corporation (CSC) and Phoenix Petroleum Philippines, Inc. (PPPI) employees celebrated the blessing of their new offices located at the Fort Legend Towers, Fort Bonifacio Global City, Taguig last 10 October 2009.**

The blessing was led by Rev. Fr. Alan Oresca of the Holy Family Parish of Parang, Marikina. The President and CEO of CSC and PPPI, Dennis A. Uy was present as well as CSC's Chief Operating Officer Jose Manuel R. Quimson and PPPI's Chief Operating Officer Romeo A. de Guzman. A simple but hearty brunch was served after the blessing.

CSC and Udenna Group will be occupying the entire 26<sup>th</sup> Flr. of Fort Legend Towers while PPPI

and subsidiaries will be occupying the entire 25<sup>th</sup> Floor of said office building.

The construction of the new office started last September 2009. CSC and PPPI will be transferring to their new offices by the end of October.

CSC's COO, Mr. Quimson and President and CEO, Mr. Uy cut the ribbon at CSC's new office during the blessing.
